

## WERNICKE'S COMMANDS

EXAMPLES	OTHER SUGGESTIONS	RE: BEING GIVEN DRUGS
"Don't remember this."	"You are powerless."	"Forget."
"You are ours."	"You asked for this."	"You won't remember."
"Forget this."	"You deserve this."	"You are under oath. You will not violate this oath."
"This didn't happen."	"You called to us."	"You will not remember this procedure."
"You belong to us."	"You are one of us."	"You will forget everything that happened here today."
"Nothing happened today."	"There is nothing there."	"You are not getting any images."
"We weren't here."	"I don't remember."	
"Today was great."	"Don't look there."	
"Stop fighting us."	"They don't exist."	
"We're invincible."	"You can't see them."	
"You will lose."	"I don't know."	
"They are protected."	"I don't see anything."	
"They are shielded."	"There's nothing there."	
	"They are invisible."	
	"They're somewhere else."	
	"This is a permanent condition."	
	"They can't be removed."	
	"These cannot be fixed."	

## "BOOBY TRAPS"

*(commands in the brain to develop fatal health problems, should a person regain memory of all the above; also, in rare cases: "kill the healer" who helps the person to remember)*

EXAMPLES	
Self-destruct program(s)	Lung failure
Heart attack	Leukemia
Stroke	Cancers
Kidney failure
